Photo upload

You must upload at least 6 photos and no more than 10 photos. Photos can be of any dimension but landscape photos work best.

We recommend that photographs are no larger than 2MB (megabytes) each.

1. Drag files from your computer onto the 'drop zone' below or click 'choose from file'.
2. Once you have added photographs, you will see an 'upload photographs' button appear below the 'drop zone', click 'upload photographs' when you want to proceed.
3. After the loading process has finished you will be able to:
 1. Include a 'photographer credit' (if applicable).
 2. Select the primary photograph for each category that you have entered.
 3. Reorder photographs to suit you preference (using the drag and drop icon).
 4. Delete any photographs that you uploaded by mistake or that you do not want to submit with your entry.
4. Once you are happy with your photographs and edits select 'save and continue working on this page' or 'proceed to next step of entry form'.
