*about*  
**THE AWARDS** \_\_\_\_\_

Established in 2008, Restaurant & Bar Design Awards is globally acknowledged as the leading international competition dedicated to the design of food and beverage spaces.

Now in its 17th year, it recognizes and celebrates the world's most creative spaces and the individuals and organizations behind them - encompassing everything from ultra-luxe fine dining destinations to concept-led fast casual hangouts.

# TESTIMONIALS

---

**Marriott International / Aliya Khan (VP of Design, Lifestyle Brands)**

“Restaurant & Bar Design Awards world is a window to inspiring hospitality design from every corner of the globe. It’s more than just evaluating creativity; it’s about engaging with like-minded voices who are passionate about pushing the boundaries of design and experience. Connections made and invaluable insights gleaned, continue to inspire, long after the awards are announced.”

**Ligne Roset Contract / Leo Capon (UK & Ireland Contract Manager)**

“As a returning sponsor of the Restaurant & Bar Design Awards I have first-hand experience of the influence and reputation it holds within the design community. Year on year, the exceptional and innovative project entries highlight the creativity and calibre of design given a global and respected platform from which to be celebrated.”

# TESTIMONIALS

## **FPOV / Peter Veale (Design Director)**

“Restaurant & Bar Design Awards are the only people who organise a truly worldwide series of events that bring the entire global community of designers, architects and operators together to celebrate the best of the best. No other organisation focuses on the creative, the bold and the future in this way.”

## **Emma Maxwell Design / Emma Maxwell (Founder)**

“Restaurant & Bar Design Awards is a cornerstone for the design industry, driving innovation and setting the gold standard for excellence. Its platform facilitates meaningful connections with industry leaders, leading to valuable partnerships and tangible business growth. For anyone looking to amplify their influence and stay ahead, the Awards are a game-changer.”
