

You are making an entry

There is no time limit to complete the application form. However, you are advised to save your application periodically as you work through it so you can be sure it is stored safely in our system. To save your application as you work through it simply scroll to the foot of the application form and select 'Save and continue working on this page'. Your application will only become locked once you complete all mandatory details, add photos, pay the entry fee and submit it for review. You can save and return to edit your application at any time before you finally submit it.

Before proceeding any further please ensure that you have read and understood the entry criteria and schedule and that you have prepared all content for your submission.

### Photo upload

You must upload at least 6 photos and no more than 10 photos. Photos can be of any dimension but landscape photos work best.

We recommend that photographs are no larger than 2MB (megabytes) each.

- Drag files from your computer onto the 'drop zone' below or click 'choose from file'.
- Once you have added photographs, you will see an 'upload photographs' button appear below the 'drop zone', click 'upload photographs' when you want to proceed.
- After the loading process has finished you will be able to:
1. Include a 'photographer credit' (if applicable).
2. Select the primary photograph for each category that you have entered.
3. Reorder photographs to suit your preference (using the drag and drop icon).
4. Delete any photographs that you uploaded by mistake or that you do not want to submit with your entry.
5. Once you are happy with your photographs and edits select 'save and continue working on this page' or 'proceed to next step of entry form'.
